## Neighborhood Traffic Concern Form

If traffic calming is implemented, how would you feel about having traffic calming measures (median islands, corner bulb-outs, stop signs etc.) being placed in front of your home? Are you willing to lose on-street parking in front of your home?

---

---

Have you previously contacted the City of West Point for help in addressing your traffic problems? If yes, please indicate which departments have been contacted.

---

---

Is the area of concern an active construction zone? If so, do you know the project name or can you provide a description of the project?

---

---

Is there any traffic calming treatments that you would not find acceptable?

---

---

Please provide us with any additional comments you feel would be helpful.

---

---

Does the area of concern include any bus stops or affect other transit access?
