#### **Policy Statement**

The City of West Point recognizes the importance and benefits of special events and the many positive impacts events can have on the community. This document outlines the application steps and fees associated with an event taking place in West Point.

Any person or entity organizing a large public gathering or special event that requires restricted or exclusive use of public property must first submit a completed special event application, pay all applicable fees, and obtain approval from the City of West Point. Permission to use any public property or park area does not necessarily entitle the renter and guests exclusive use of said facility.

No event using any portion of public property within the City may be advertised until the application has been approved, all required documents have been submitted to the City, and all fees and deposits have been paid. When an event is advertised, the City of West Point logo cannot be used unless it's a Sponsored or Co-Sponsored Event or the renter has received written permission from the City of West Point City Manager's Office.

The City makes areas available for private events that have a purpose consistent with the City of West Point's mission and intent. However, priority scheduling of use of facilities will be given to events and programs that are sponsored or co-sponsored by the City of West Point.

All private events shall pay the established permit fees. No requests for fee waivers will be considered by the City.

Unacceptable events are those that would cause undue inconvenience to visitors of West Point or unduly impact neighborhoods and/or local businesses, could be dangerous to event participants or City facilities, or that are too large to be adequately accommodated in the available or adjacent spaces.

**Sponsored and Co-Sponsored Events:** The City of West Point is committed to supporting quality special events that proudly recognize our City, promote a sense of pride, and represent the City in a positive manner. The City seeks to participate in, sponsor, and/or coordinate events that provide a benefit to the larger community, create exposure to the community's many attributes, and fit within the capabilities of the area(s) being utilized. Due to the many event requests and the limited resources, the City Manager's Office will determine through the budget process and council approve of the budget which events the City will sponsor or co-sponsor each fiscal year. Requests for co-sponsorship must be submitted to the City of West Point <u>no later than July 1 of the previous fiscal year</u>, for budgetary purposes. (See definition of Sponsored and Co-Sponsored Events, Appendix A). The City of West Point fiscal year begins on January 1 and ends on December 31.

**School Events:** Local schools will be responsible for paying for personnel related to the event (police, clean-up, set-up, etc.) A certificate of liability insurance, naming the City of West Point as an additional insured, will be required. The City shall have the right to limit the number of school uses per year.

This Policy is intended to work in concert with all other applicable rules, regulations, laws, and ordinances of the City of West Point and other applicable governmental entities.

### **Criteria for Special Event Application Evaluation**

The criteria for evaluating and scheduling community festivals and special events are as follows:

- Completeness of application and event layout.
- Impact and cost of the event on public health, welfare and safety.
- Impact and cost of the event on City support services.
- Impact of the event on the environment.
- Frequency of the same or similar event(s) as well as potential conflicts with previously approved events.
- Impact on the surrounding businesses or residences.
- Ability for the park to remain open to users.
- Perceived benefit of event for City of West Point community.
- Likelihood of participation by City of West Point citizens.
- Previous history of event organizer in facilitating special events.
- Ability of event organizer to achieve goals set forth for special events.

All applications shall be submitted to West Point City Hall or Community Development Office. The City will review for completeness and appropriateness and issue a written approval or denial of the application within 30 days of receipt of a complete application. The City Manager is empowered to approve or deny the application based on the City's evaluation criteria. Approval may include conditions or stipulations intended to address or mitigate any potential issues. Written appeals to decisions made by the City Manager may be presented to City Council within 15 calendar days of said decision. All written appeals shall be heard by City Council in its normal course of business within 45 days from receipt. The City's failure to comply with the above-mentioned timeframes will not allow an applicant to use a facility; these timeframes shall serve as a guideline to keep the process moving.
